

FEATHERSTONE LIONS CAR BOOT SALES

INDOOR & OUTDOOR SELLER INFORMATION

Our weekly Car Boot Sales have now moved indoors at Featherstone Lions, allowing the sales to continue throughout the year and in all weather conditions.

Please read the following information carefully before booking. By making a booking, you agree to follow the arrangements below.

BOOKING YOUR SPACE

Bookings for each week's sale will open online at 7:00pm every Tuesday for the following Tuesday's sale.

Spaces are limited and are allocated on a first come, first served basis.

We currently have space for:

- 40 indoor seller spaces
- 10 outdoor seller spaces on the patio area

Your booking reserves a seller space but does not reserve a particular numbered plot or position. Selling plots will be allocated by Featherstone Lions staff on arrival.

Proof of booking must be brought with you to the sale. This can be shown on your phone or as a printed copy.

SELLER ARRIVAL & SET-UP

Sellers can arrive and begin setting up from 7:00am.

Please do not arrive before the advertised seller arrival time unless specifically instructed by the club.

On arrival, follow the directions of Featherstone Lions staff, who will direct you to the seller parking area and allocate your selling position.

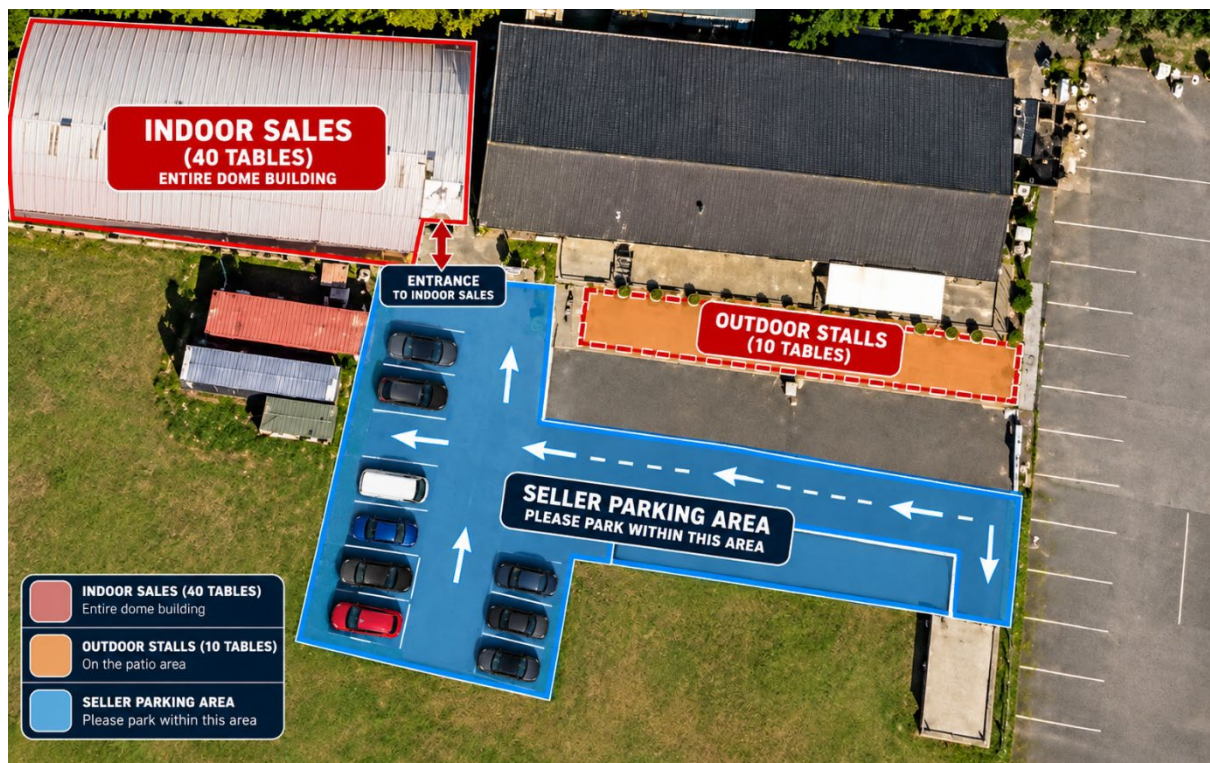

SELLER PARKING

All sellers must park their vehicles within the designated Seller Parking Area shown in BLUE on the site plan.

To keep the main car park available for buyers and visitors, seller vehicles will be parked closely together. Some vehicles may therefore be blocked in during the sale.

Please bear this in mind when booking. If you need to leave early, speak to a member of staff before parking and we will help where possible, but we cannot guarantee that every vehicle will be able to leave immediately.

The main car park must be kept free for buyers.

INDOOR SELLER SPACES

Indoor selling takes place in our large indoor training area, with a maximum of 40 seller spaces available.

Each indoor booking allows space for:

1 × 6ft table

The table is NOT supplied by Featherstone Lions. Sellers must bring their own table.

1 × clothes rail/rack

Selling space immediately in front of your table

Please keep all goods, boxes, rails and other items within your allocated space and ensure the designated walkways and access routes remain clear.

For everyone's safety, fire exits, doors and access routes must not be obstructed at any time.

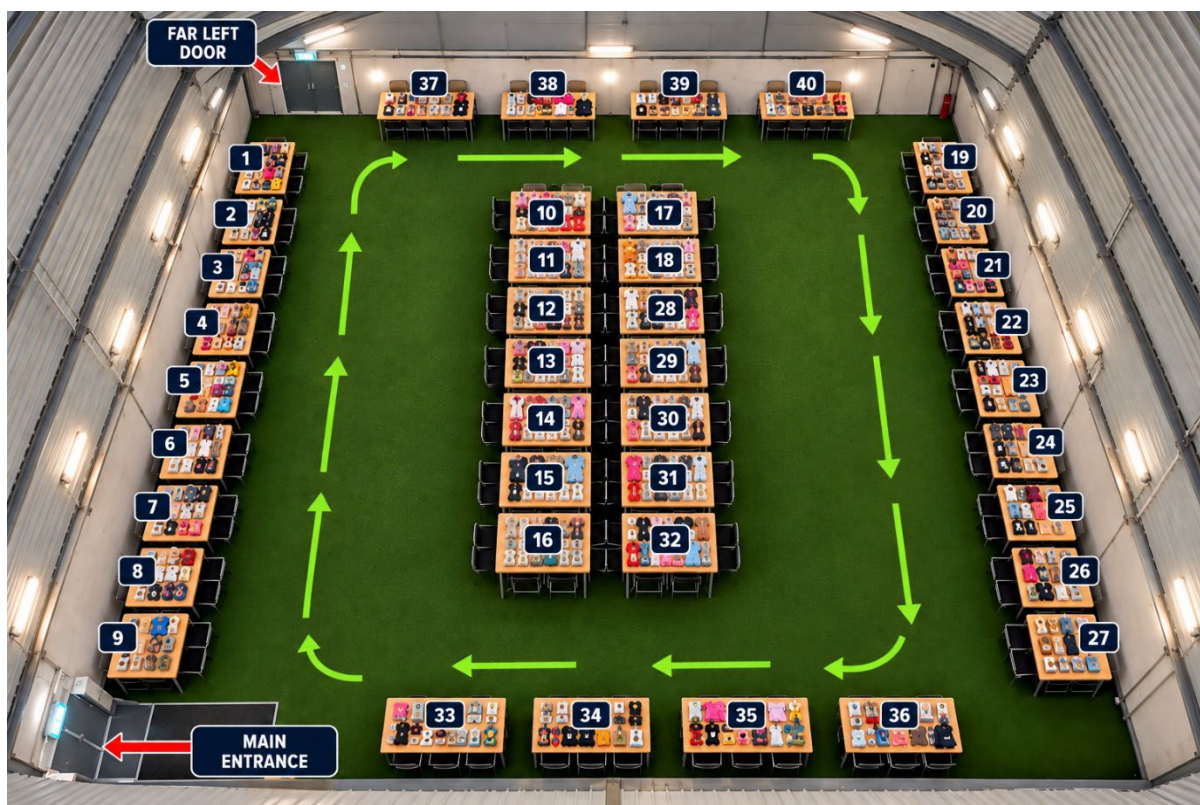

OUTDOOR SELLER SPACES

We have an additional 10 outdoor seller spaces situated along the edge of the patio in the area marked RED on the site plan.

Outdoor spaces are booked entirely at the seller's own risk and are subject to weather conditions.

Sellers are welcome to bring and erect their own gazebo, canopy or suitable weather cover within their allocated space.

Any gazebo or cover must be safely and securely erected and must not obstruct walkways, entrances or other sellers.

YOUR SELLING AREA

Please be considerate of neighbouring sellers and remain within the space allocated to you.

Do not extend tables, clothes rails, boxes or displays into the main walkways. This is particularly important indoors, where we need to maintain clear routes for buyers and emergency access.

If you are unsure whether something will fit within your allocated space, please speak to us before the sale.
