NCL News from Daz Fisher, Head Coach

Our NCL squad returned to the Millpond for our fixture against Drig and just shows the level we need to be achieving and unfortunately our start hasn't been great...different 17 each week can take its toll on momentum and also the disruption with the team dynamics.

On a plus side every player has had an opportunity to play and few of our U18s have also gained debuts so that's pleasing that they have seen the level of the NCL and to set objectives for their own performance goals to achieve. Similar scenario with our National Cup run, a few missing players we'd have had the experience to push on with the half time lead however fish and chip paper now.

Each week see new challenges of some bashed up bodies at the moment but it's pleasing to see some of the old Fev Lions from previous years starting to come back and help push our NCL season, with that said the likes of Wisey loving rolling back the years!

May brings us away against Beverley which will be a tough place to visit and then the week after we return home for our only 2nd game 5months in.

FEATHERSTONE LIONS JUNIOR & YOUTH TEAMS

PROUD U18 ACHIEVEMENT

Our very own Alfie Milton (U18) player has been selected to represent England in the upcoming tour in France this year (2024). Alfie has been selected from a pool of over 100 participants and has proceeded through the trials and into the final 20 who make up the England U17's team for 2024. Not only will he be representing our country but also Featherstone Lions ARLFC. This is a very huge achievement, his family, friends, team mates and the club are extremely proud of Alfie.

Junior & Youth Team Message from Daz Fisher – Head Coach.

Great to be back on our main field and host some home games actually at home (Lions), good to see then midweek kids games and activities around the place it's a great position for the club to be in as we head into warmer weather.

Let's get along on this bank holiday support the club on and off the field and I'm sure it you will have a great time.

As well as teams recruiting we are also looking for a couple of coaches ideally to be involved in primary and our younger teams if anyone would like to send their expression of interest be happy to have a chat about the exciting roles..
